PLAN YOUR JOURNEY

**The Hinckley
SCHOOL**

GETTING TO SCHOOL MADE EASY

At The Hinckley School, we understand that reliable and convenient transport is an important part of your decision when choosing a secondary school for your child. Every lesson counts so it is important students have a reliable and smooth mode of transport.

To support your planning, we've put together a summary of services available to and from our school. Whether you're considering local public transport options or private school bus routes, this guide is designed to help make the journey to school as smooth and stress-free as possible for both you and your child. If you have any further questions please do not hesitate to contact our Reception Team.

TRAVEL INFORMATION FOR PROSPECTIVE FAMILIES

COMMUNITY CONNECTIONS

Our students join us from all over the local area and we know that location and travel links play a big part in a families decision to choose a school. That's why we wanted to create an information document for parents which shares all the information about our main bus connections, private bus services and car parking arrangements all in one place, to help take the hassle out of planning your route to school.

Last year, our students travelled to us every day from:

- Barwell
- Burbage
- Earl Shilton
- Enderby
- Hinckley
- Nuneaton
- Sapcote
- Sharnford
- Stoney Stanton
- Ullesthorpe

As well as using the bus services and private bus companies detailed in this leaflet, many students walk, cycle or scoot to school. For these students we have a large covered bike shed on our school grounds which our young people are welcome to use. We encourage all students to use a bike lock and to wear the appropriate safety gear to ensure their property and themselves remain safe.
