Dear Parents/carers,

On Tuesday 31 October, we will be hosting a Results and Revision evening for Year 13 and their parents, 3.45 – 5.45pm, in the Sixth Form. Here, students and parents will meet individually with the student's form tutor to discuss their mock examination results, predicted grades and to set targets for the upcoming half-term. There will also be an opportunity to discuss revision strategies and techniques with the Sixth Form team and obtain any advice, both as students, or as parents, on how to support your child through the final stages of their A Level journey.

There will also be the chance to discuss career pathways and applications on the evening with either your child's tutor or a member of the Sixth Form team.

Please visit <https://ths.schoolcloud.co.uk> to book your appointment with your child's form tutor. Please note that when inputting your email address during the signing-in process, it must be the email address which you have provided us with previously.

If you have any issues booking an appointment or are unable to attend this evening, please email your child's tutor directly.

We look forward to seeing you next week.

Yours sincerely

Danielle Solly
