PROUDLY IN PARTNERSHIP WITH COVENTRY RUGBY

ELITE-LEVEL PROVISION

The Hinckley Sixth Form launched a new partnership with Coventry Rugby in 2026, to provide students with the opportunity to combine high-quality post-16 study with an elite rugby programme delivered by Coventry Rugby Academy.

This partnership strengthened our commitment to supporting students across North Warwickshire and South Leicestershire to access both a strong academic environment and high-quality rugby development. This new pathway offers students exceptional opportunities both on and off the pitch.
